

# POLICY AND PROCEDURE ON GRIEVANCES

## I. PURPOSE

The purpose of this policy is to promote service recipient right by providing persons served and/or legal representatives with a simple process to address complaints or grievances.

## II. POLICY

Each person served and/or legal representative will be encouraged and assisted in continuously sharing ideas and expressing concerns in informal discussions with management staff and in support team meetings. Each concern or grievance will be addressed and attempts will be made to reach a fair resolution in a reasonable manner.

Should a person and/or legal representative feel an issue or complaint has not or cannot be resolved through informal discussion, they should file a formal grievance. Staff and persons served and/or legal representatives will receive training regarding the informal and formal grievance procedure. This policy will be provided, orally and in writing, to all persons served and/or legal representatives. If a person served and/or legal representative feel that their formal complaint has not or cannot be resolved by other staff, they may bring their complaint to the highest level of authority in the program, the **Executive Director**, who may be reached at the following:

Charles N. Oakes, Executive Director

Stevens County DAC, 203 Green River Road, Morris, 56267, 320-589-3020

The company will ensure that during the service initiation process that there is orientation for the person served and/or legal representative to the company's policy on addressing grievances. Throughout the grievance procedure, interpretation in languages other than English and/or with alternative communication modes may be necessary and will be provided upon request. If desired, assistance from an outside agency (i.e. ARC, MN Office of the Ombudsman, local county social service agency) may be sought to assist with the grievance.

Persons served and/or legal representatives may file a grievance without threat or fear of reprisals, discharge, or the loss of future provision of appropriate services and supports.

## III. PROCEDURE

- A. All complaints affecting a person's health and safety will be responded to immediately by the manager.
- B. Direct support staff will immediately inform the manager of any grievances and will follow this policy and procedure. Additional information on outside agencies that also can provide assistance to the person served and/or legal representative are listed at the end of this procedure.
- C. If for any reason a person served and/or legal representative chooses to use the formal grievance process, they will then notify in writing or discuss the formal grievance with the manager will initially respond in writing within 14 calendar days of receipt of the complaint.
